This has resulted in denying the benefit to the poor menials working in the corporation.

Sir,

Sub - Payment of Rs.15,000/- to Bangalore Corporation
being Government grant towards City Improvement
Works for 1952-53.

Ref - G.O.No.L 13823-26/LM 21-52-11 dated 19-11-52.

The payment for a sum of Rs.15,000/- being the amount sanctioned in G.O.No.L 14272-5/LM 21-51-2 dated 7-3-52, was authorised by this office on 27-3-52 and sent to the Treasury on 28-3-52 for making the payment by Transfer Credit, the charge being debited to the accounts of the year 1951-52. The claim was preferred by the Commissioner, Bangalore Corporation, on 5-4-52 and the payment has been made at the Treasury on 9-4-52 and it has been debited to the provisions of the current year. The bill instead should have been returned to this office uncashed by the Treasury Officer as the year 1951-52 had closed. This wrong debit has been met out of the provision in the current year. The bill in triplicate for the annual grant for the current year received from the Commissioner, Bangalore Corporation can be admitted only after provision is pointed out by suitable reappropriation or by obtaining additional grant. I request that necessary further action may therefore be taken in the matter.

A treasury irregularity has, however, been awarded against the District Treasury Officer, Bangalore, in respect of the payment made on 9-4-52.

Yours faithfully,

Mr. Shamy Smith

Asst. Accountant General.
